

RSV150

RucSac Vacuum

Enhanced compact design, benefitting user-comfort and increasing productivity.

- ✓ New slimline ergonomic design
- ✓ Lightweight user-comfort
- ✓ Extended cleaning reach

Numatic

Compact, comfortable and convenient, the RSV150 goes wherever you go, making it the perfect cleaning solution for tight and awkward cleaning.

Providing an extra-long 15m cable and generous 5L dust capacity, there's less stopping to unplug and empty and more time to get the job done. Easily switch between carpets and hard-floors with the high-performance Combi Floor Tool and tackle hard-to-reach areas with the precision cleaning kit.

Ergonomically designed with easy-adjust, posture-correcting harness, breathable mesh panel, handy tool storage and simple, integrated hand control, the RSV150 provides optimum user-comfort, ensuring less stretching, bending down, twisting and full control at all times.

• Complete Convenience

Compact, comfortable and convenient design for tight and awkward cleaning.

• Quicker Cleaning

Generous 5L capacity and extra-long 15m cable allow for less stopping to unplug and empty.

• Ultimate User Comfort

Ergonomically designed, adjustable harness increases comfort, supports correct posture and reduces fatigue.

• Total Control

Integrated hand control and handy tool storage for quick access on the move.

• A Tool for Every Job

Professional toolkit for carpets, hard-floors and precision cleaning.

• What Goes in, Stays in

HepaFlo Bags with innovative self-seal tab lock all the dust in the bag, allowing for easy, clean and hygienic emptying.

The Pro Harness offers enhanced operator comfort, increasing cleaning efficiency, capability and productivity, without any uncomfortable distractions.
