

# Why Buy ERP180?

**Environmentally  
Sustainable**

**Built to Last**

**High Efficiency**

**Compact and  
Convenient**

**Emptying with  
No Dust and No Mess**

**Numatic**

## **Environmentally Sustainable**

Engineered from up to 75% of the highest quality recycled plastic.

## **Built to Last**

Providing the same tough, heavy-duty Numatic construction as always.

## **Highest Efficiency Motor**

Equipped with our highest efficiency motor yet.

## **Don't Forget your Hi-vis!**

High visibility cable for safety on the worksite.

## **Easy, Clean and Safe Emptying**

High-efficiency, triple-layer HepaFlo filter bags.

## **Handy Cable Replacement**

NuCable system for quick and easy cable replacement.

## **Compact and Convenient**

On-board tool and cable storage, plus handy caddy design.

## **A Tool for Every Job**

Professional accessory kit with aluminium tube set.

# Environmentally **SUSTAINABLE**

## Environmentally Sustainable

Engineered from up to 75% of the highest quality, recycled plastic using our innovative, environmentally sustainable ReFlo Technology. ReFlo Technology uses high-quality, recycled, post-industrial plastics, which are diverted from landfill or incineration.

Built to  
**LAST**

## Built to Last

Providing the same tough, heavy-duty Numatic construction as always, ReFlo Technology ensures the ERP180 is both sustainably engineered and built to last.

# HIGHEST Efficiency Motor

## Highest Efficiency Motor

Equipped with our highest efficiency motor yet, the ERP180 delivers a 30% reduction in energy consumption; providing the same professional, high-performance cleaning results you expect from a Numatic machine, while saving you money too.

Don't Forget your  
**HI-VIS**

## Don't Forget your Hi-Vis

High visibility cable for safety on the worksite.

# Easy, Clean and **SAFE EMPTYING**

## **No Dust Cloud; What Goes in, Stays in**

High-efficiency, triple layer HepaFlo bags. Once full, the innovative self-seal tab locks all the dust in the bag, enabling easy, clean and safe emptying.

# Handy Cable **REPLACEMENT**

## Handy Cable Replacement

NuCable system for quick and easy cable replacement.

# Compact & **CONVENIENT**

## Compact and Convenient

On-board tool and cable storage, plus a handy caddy design.

# A Tool for **EVERY JOB**

## A Tool for Every Job

Professional accessory kit with aluminium tube set.
