

PRODUCT INFORMATION SUMMARY

V500 : BACTERICIDAL KITCHEN CLEANER

kills bacteria, cleans floors, walls, and working surfaces

Description of product

Concentrated bactericidal detergent for use on all kitchen and canteen surfaces. Also highly effective on bar tops and surrounds, vital on all surfaces around buffet hatches and self service points of sale.

Directions

Follow the pictorial guide on the bottle. Squeeze bottle to fill the top reservoir, when the reservoir is full tip the contents into either a trigger spray bottle or a bucket containing warm/hot water. A second dose may be necessary in larger buckets, do not repeat the dose into trigger spray bottles. Note dose chamber has been restricted from 25ml to 10ml.

iNsignt Supported

iNsignt is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

Technical Data

Composition	A high active blend of quaternary ammonium salts, cationic cleaning agents, chelating agents and nonionic surfactants with a high degree of synergistic action
Appearance	Clear Liquid
Colour	Pale amber
Cloud Point	>40
Density	1.073
pH	>12
Fragrance	Odourless
Stability	2 years in a unopened container
Statutory Conditions	Biocidal regulations

Environmental Profile

Biodegradability

All biocides/disinfectant/preservatives contained within Selden products fully comply with the EU Biocidal product Directive 98/8/EC, ensuring a high level of protection for humans, animals and the environment. All surfactants contained in Selden Products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water.
